College Softball School Comparison Scorecard

Score up to four schools side by side on academics, softball fit, coaches, cost and the would-I-stay test.

Score each school from 1 (poor) to 5 (excellent). The totals help, but the last row matters most: would this still be the right school if softball ended tomorrow?

Your schools

School				
Division and conference				
Distance from home				
Academic fit: my major, class sizes, support (1-5)				
Roster fit: need at my position in my class (1-5)				
Realistic playing-time outlook (1-5)				
Coaches and team culture (1-5)				
Campus and team feel (1-5)				
Estimated net cost per year after aid ($)				
Would I go here if I couldn't play? (yes / no)				
Total of the 1-5 rows				

Gut check: what does each school feel like?

Compare schools with real program data

In CommitBound, your target schools come with division, roster and coach information already filled in, and your notes stay with each school.
